

Neighbors Helping Neighbors

Scenic Hills has residents with many different expertise and abilities. We believe many of us would like to share our time and talents with others. To foster that sharing we've created a database of people who would like to help their neighbors. Access to the information in the database will be limited. If you're interested in helping, please sign up on this form. Include your name and a way to contact you, and then check all the areas in which you'd like to help. Be sure to complete the front and back of this form. Drop your form in the box at the Lodge.
