Town Hall Meeting – Committee Reports

- Christine Taylor (**Activities Committee**) –
 - 4th of July was great! Thank you everyone for pitching in, especially with clean-up.
 - Still looking for Christmas Open Houses – you know who you are – you're secretly wanting to show off your house! Let me know.
 - Working on National Night Out – Oct 1; Free Ice Cream – save your overeating for that night! It'll either be in foyer area or outside, decision yet to be made.
 - Veteran's Day – Nov 11; someone has donated a new bell for us.
- Christine Taylor (**for Lodge Committee**) –
 - We are working on the Veteran's wall. We need your 5"x7" pic. Pics do not have to be framed; the Committee is purchasing frames. If you don't have 5"x7" pic, give us what you have. Yes, we can use some of the pics from the showcase. The Veteran's Wall is on the WishList – we have \$233 donated toward it; we still need \$717.
 - The produce market is fun and great tasting. We've added a flea market to it. Come the 1st Friday in August at 10:30 – have some coffee then start shopping. Open 1.5 hrs.
- Grady Haddox (**for Lawn Care**) – Thanks to everyone who reported issues. There were NOT a lot of issues the first 2 weeks. If you need a re-mow, enter it in the work order book on the lodge counter. If the lawn company break, scalp or hurt something, email Grady with your address, your phone #, describe what it is, take a picture, and tell him what you want done. The company has agreed to make things right, but we must communicate them to the company properly.
- Ann McMaster (**ACC**) – As of 7/15, we have received & processed 41 applications resulting in 39 final approvals. Our next meeting is Aug 5. If you have an application in for that meeting, it's really helpful for you to come to the meeting.
- Ann McMaster (**Community Enrichment**)
 - Potluck is 2nd Tuesday of Month – August 13, cold potluck in August, no games to follow this month; BYOB.
 - Lots of card games are played on Cards Monday – it's up to the group what games we play.
 - Game night every Wed at 6pm. We always have snacks and sometimes there's wine.
- Craig Taylor (**Social Committee**) – Taste of Italy on Aug 17, Olive Garden Lasagne, never ending salad, bread sticks, tiramisu. Tickets are on sale now.
- Betsy Berg (**Communications Committee**) – We're having a logo competition – let's make a new one that effectively communicates the spirit of our neighborhood. Details of contest will be emailed and in The Scene.
